

American Lincoln Parts

American Lincoln Part - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are known in the industry as durable and strong machinery that satisfies the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to provide components, warranty service and machines for these scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where efficiency and results count. Lately, this particular floor scrubber model has been utilized by the architects in new construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location due to the model's excellent quality and utmost performance level for polishing concrete.
